Durham Police Asking for Robbery Information

Durham police investigators are asking for information about a September 11 robbery at Harris-Teeter, 1501 Horton Road.

Two males with their faces covered entered the store around 3:26 a.m. and broke into several USCAN machines. The males took money from the machines and fled from the store in a gold car. One male was armed with a gun but no customers or employees were in the area during the robbery.

The robbers were out of the store in less than two minutes.

Both suspects were wearing jeans, black hoodies, sweatshirts, tennis shoes, black gloves and coverings over their faces. One man was wearing a red toboggan.

This robbery was similar to recent robberies reported in Greensboro, Winston-Salem and High Point.

Anyone with information is asked to call Investigator Craig at (919) 560-4582, ext. 29247 or CrimeStoppers at (919) 683-1200. CrimeStoppers pays cash rewards for information leading to arrests in felony cases and callers never have to identify themselves.
